

Kids These Days

Week 4:

Pray and Discuss:

1. As you begin – pray that God would help you to become people who “smell” like Jesus. That God would lead you to him, guide you in prayer and scripture, and that others would notice that you have been with Christ.
2. David mentioned the disconnect that many experience in their own lives, or in the lives of others, when it comes to spending a lot of time at church activities but not being transformed by the Spirit into Christ’s image. Where do you see this disconnect in your own life?

3. Read John 12:1-8. What about Mary's posture and action towards Jesus stands out to you? How can you become a person who spends time at Jesus' feet – growing to know him more?
4. During this season of your life, do you find yourself spending more or less time in prayer with Jesus? How has that affected your life? Is the presence or absence of prayer affecting your life in positive or negative ways?
5. David challenged us to engage in conversations about Christ daily – to keep him at the forefront of your mind. Do you find it easy or difficult to talk about your faith with your family, your friends, your co-workers, your neighbors, etc.? Why or why not?
6. As you close – pray that God would lead you to a conversation this week with someone who needs to hear about Jesus.
